Bria and Buddy - A Modern Day Romeo & Juliet

Bria and Buddy - Aren't they the cutest? Please help them stay together! Bria and Buddy are so sweet! Their love story is like a modern day Romeo and Juliet. When their pet parent died, her son took both of them to a kill shelter without even knowing their names. When we saved them from euthanasia at the shelter, one of the staff said Buddy worried and watched out for Bria. When one of our volunteers took Buddy to be neutered, Bria backed out of her collar

and jumped the fence to find him. We were so upset searching for Bria and when we took Buddy on the search she smelled him and came back. What a miracle of love! Please make it possible for us to keep them together by calling today to adopt both of them. Bria is a small, dainty, beautiful, dark red coated cattle dog that weighs only about 33 pounds. Buddy is a handsome Australian Shephard-type dog with a stunning coat and markings. They are anxiously waiting to find a loving forever home where they can be cherished together. Call Animal Sanctuary Society, Inc., P.O. Box 24, Mt. Laurel, NJ 08054 856-642-0004 for more information.

The Animal Sanctuary Society is proud to be a safe haven to animals. We provide vet care, medicine, surgeries, food, shelter and other necessities to our animals until the day they are adopted. We will not euthanize an animal because no one is adopting him or her by a certain time. This is possible because of generous public donations and support from caring people like yourself.
