TO OUR DEDICATED DONORS & ADOPTERS, PLEASE CONTINUE THE STRONG MOMENTUM AS YOUR SUPPORT HAS HELPED US SAVE THOUSANDS OF THE MOST VULNERABLE ANIMALS & PLACE THEM IN DEVOTED LOVING HOMES.

Saved lives, stopped suffering, improved lives with lots of love for 24 years.

### A ST. VALENTINE'S DAY WEEKEND MIRACLE for BREE aka PEACHES

She had been rescued in a starved condition with her pup. After her vetting and getting better, she was adopted by a wonderful married couple on this special weekend that symbolizes love..

Remember her sad pictures and video of how dangerously thin she was when saved. And how she cared for her pup Sasser until they were rescued. The fact that they both lived was a miracle too.

"She is such a love and snuggler" says her petparents. She is enjoying her new life with her new name, "Peaches". She has been walking 2-3 miles a day with petdad, which is healthy for both of them.

Have a wonderful life, Bree. We will always love you.

Healthy Bree

FROM BEING RESCUED TO BECOMING  
SERVICE, THERAPY AND/OR EMOTIONAL SUPPORT COMRADES  
TO TRANSFORM FRAGMENTED HUMANS LIVES

**Ready for Training**

**Graham is in an elite Service Dog Program for veterans**

Here he is on the day he left with his trainer. Graham is doing fantastic in his service dog training school. Everyone at the school loves him. He is extremely smart and loving and very social with an energy level perfect for being a service dog. Stay tuned for his graduation and meet the veteran and family he will be with in his new life endeavors.

**Playing after training**

**Sarge's Service Dog Graduation and Celebration**

We are so proud of him! He was once unwanted and look at him now! He was carefully handpicked to go through about six months of high caliber service dog training. His Petdad was an honored veteran who pulled out and saved another soldier who was bombed. This veteran will have a graduation himself as a counselor in May 2025. He and Sarge (previously called Kahlifa) will be helping veterans with PTS and other injuries. This graduation was a real tearjerker. Sarge is no stranger to depression and sadness from losing his home. His understanding and empathy is captured by the artist through his eyes and expression. He knows he has helped and changed his Petdad's life encouraging him to be a caring counselor for other veterans. Sarge will be working his magic during therapy sessions his dad conducts. This shows when someone turns their back on an animal, they are turning their back on one of the most important significant living creatures in the world.

**Rita Graduates As A Service Dog Too!**

A sickly woman sadly couldn't take care of Rita anymore. Look at this star now! This is her Service Dog Graduation with her Petdad - a veteran. He and his family love her so much. And she loves them. Rita's portrait captures so much of the intelligence and love from her eyes! We just knew she was perfect for being a dedicated service dog.

**Patrick aka Riggy has an important job ahead of him besides being a loving pet**

Petmom does telecounseling from home as a Drug and Addiction Counselor. She works from home, and Riggy's sweet gentleness will give his petmom emotional support while she is doing her very difficult job. She may even have Riggy be on the counseling call to help her clients. You can't help but put a smile on your face when seeing and getting to know this super loving doggie.

## Living the Good Life Now!

### Legend Showered with Love & Gentleness

#### READ BELOW WHEN HE GETS CARRIED

Meet Legend, a playful & happy pup who radiates joy wherever he goes! With a sweet & affectionate nature, he quickly becomes a favorite among everyone he meets. Legend loves to explore the world alongside his favorite humans & walks beautifully on a leash, making him the perfect companion even for little ones. His journey began on a fateful day when he was found as a pup on the side of the road, but since then, he has blossomed into a lovable and loyal friend. Legend's infectious spirit & loving demeanor make him a true treasure, & he's always ready for the next adventure!

Legend has a new chew toy. That is only one of his over \$100 worth of toys his Petdad bought him. Notice the sparkle in his eyes. "Did I die & go to Heaven?" Happy Holidays Legend in your new home. The gift of love is the best gift we could have found for you. We loved everything about you, especially your soft nature & gentleness even though you were understandably afraid of new things. You have a special Petdad by the way. I think you must realize that by now. When you were afraid to walk home from your walk he carried you home like a child.

### Luke must be dreaming he died and went to heaven!

He was originally from a place with his three litter mates that had hardly any socialization, if any. Here Luke is in his new home on a cold evening in April with two beds & toys. Not to mention in PJ's all tucked in under a warm blanket.

This is what gives us the strength and encouragement to keep going to help as many homeless animals as we can that need us to make sure they are never abandoned, neglected, abused, ignored, and or starved ever again. We and the animals all are grateful for your support to make this happen. ♥

### Nixie AKA Penny Begins a New Life After Having Rickets from Malnourishment

Penny (the little pup held by Her Petmom) is a long way from the terrible life she had. She was very malnourished to the point that our veterinarian diagnosed her with Rickets from not enough nourishment including not enough calcium.

Penny now is very well cared for along with her two small dog siblings - 7 & 11 years old. The young boy in the family knows to be gentle with his pets. One of the dogs could not come in the car to pick up Nixie because she suffers from seizures if stressed out in a long car ride. Petparents take excellent vet care of their animals making sure their dog with seizures gets thorough veterinarian care.

### SKIPPER AKA STORMY NIGHT BARELY MISSED BEING MEANLY SHOT TO DEATH Like Her Mom & One of Her Litter Mates

MOM was a pregnant stray that came to a home for help to have her babies. Not knowing the man in the house was terribly inhumane. AFTER she had her babies and they were weaned, the husband decided to call a friend to shoot them all. THE FRIEND TOOK MOM AND ONE PUP AND SHOT THEM DEAD. HE WAS COMING BACK TO get the 12 pups left when the WOMEN OF THE HOUSE called for help and they were saved JUST IN TIME! **IN MEMORY OF HER MOM AND SIBLING KILLED**

**ADOPTERS COME BACK TO US AGAIN TO FIND THAT SPECIAL FOUR-LEGGED FAMILY MEMBER.**

**Jasmine aka Jynn is a big comfort To her new family as Eve was!**

This first-rate family adopted Eve from us 13 years ago. Sadly, Eve recently died with a tumor on her heart? When they adopted Eve, she started right away to play an important role during the healing possess of one of the family members who had surgery. She was so special and gentle! One day she gently carried a homeless kitten into the home for help. The family kept the kitten and Eve took care of it as if she was the Mom. Now Jynn will help this family heal from the loss of Eve. Not only does Jynn have a beautiful gold collar but she also has a yard to play in and a comfortable couch for resting. Follow up was great! Petparents texted that she is quite a character. She is smart, sweet, and her training is going well.

SAM & HERO

**Hero is settling in nicely in his new home!**

About eight years ago this amazing family adopted Sam, the Beagle in this picture, from us. They recently adopted Hero. Check out Sam's smile and the sparkle in his eyes. You can tell he has been so loved all these years. We are thrilled Hero will have the same. "Hero and Sam are doing so well! Hero is just the sweetest thing and is fitting right in at our home. We kept the name Hero. He is so affectionate and well trained. We feel so blessed that he's ours!" Hero and Sam sleeping at home.

Whiskey

**Whiskey and Jasper (adopted from us years ago) are happy together!**

Whiskey, the young dog on the left, is a shy doggie that has separation anxiety and wants to have his family home with him. When these two brothers and their mom saw Whiskey on our site and read about him, since they are such concerned caring people they wanted to adopt him. They have always kept in touch with us with phone calls and pictures of Jasper. We really enjoyed seeing Jasper's pictures with his own doggie birthday cake, with Halloween decorations and with other Holiday backgrounds.

Whiskey & Jasper

Halei

Their beloved 14-year-old (on the right) recently passed.

**Cookie helps Halei and family heal!**

The chocolate lab on the left is Halei was adopted from us a few months ago. She was very close to their beloved 14-year-old dog that recently passed on due to old age. May she rest in peace. With Halei being so sad along with the family, Halei's family came to adopt Cookie. Cookie is helping the family including Halei heal from their loss and helping them all smile again.

They adopted Yara aka Zelda about two years ago from us. When their 14-year-old beloved lab mix died, they came back to adopt Raiden aka Otto, especially after Zelda kept going to their beloved dog's bed smelling and looking for him. Each and everyone of the family have been broken hearted. They talked so fondly of him.
