

Welcome to August!

Summer is in full swing and we made it through the heat wave. Although adoptions have been very slow unfortunately our bill have not . We have been very busy taking care of our animals that are waiting for loving homes and also those new arrivals that we were their last resort for safety.

We must turn to you our dear supporters for help on behalf of our orphaned animals. Please donate so we can continue to take care of as many 4 legged angels as possible.

Some of the other things Animal Sanctuary does:

We do humane education in the class room, on the phone and tabling with pamphlets.

We have helped a few hoarding situations out again this year by Saving numerous cats and kittens and finding homes for them.

We work with the semi-feral cats to help socialize them So they may find loving homes to.

Our Happy Tails

Tuxedo was saved from a high volume shelter where when over crowding occurs the animals are euthanized. We pulled him from that shelter and found him a wonderful new loving home.

His new pet parent writes:
Tuxedo now called Falcor, is doing great. He has put on weight and is very loving. Falcor loves my two nephews and loves playing with other dogs. He really is great!

Lucky Falcor!

Lillys new pet Parents write:

Things with Lilly are going great, she is so loving. She gets along great with our cat Chloe, who we adopted from you and our little Yorkie, Daisy. They have made my life happier than I thought it could ever have been.

Cupcake aka Pheona is adorable and has added so much joy to our lives. Cupcake is an absolute doll.

As a no-kill shelter, we try never to turn our backs
On helpless animals.
