FOR THE HOLIDAY, PLEASE ADOPT SERENITY – A COLLIE MIX AND ARTEMUS - A LAB MIX. THEY HAVE BEEN TOGETHER SINCE THEY WERE PUPPIES. THEIR PET PARENT NEEDED DOUBLE KNEE SURGERIES AND COULD NOT KEEP THEM. PLEASE OPEN YOUR HEART AND YOUR LOVING HOME TO BOTH OF THEM SO THEY CAN BE TOGETHER. THEY ARE GREAT LOVING DOGS.

**PLEASE SUPPORT US THIS HOLIDAY SEASON AND
THROUGH OUT THE YEAR TO HELP SAVE LIVES.**

The Animal Sanctuary Society is proud to be a safe haven to animals. We provide vet care, medicine, surgeries, food, shelter and other necessities to our animals until the day they are adopted. We will not euthanize an animal because no one is adopting him or her by a certain time. This is possible because of generous public donations and support from caring people like yourself.

THANK YOU SO MUCH FOR ALL YOUR SUPPORT THROUGH THE YEAR

THIS HOLIDAY SEASON THOUSANDS OF HOMELESS ANIMALS ARE LOOKING FOR JUST ONE THING, A LOVING HOME WITH PET PARENTS THAT CARE. SINCE OUR BEGINNING, WE HAVE HELPED THOUSANDS OF PET DREAMS COME TRUE. PLEASE HELP US CONTINUE OUR MISSION.

Lilly and her new family all smiles .

Kitty” Jethro” and his new best buddy.

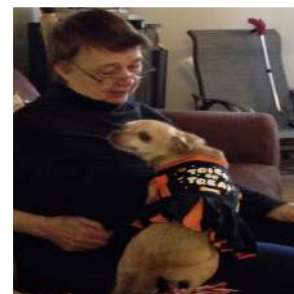

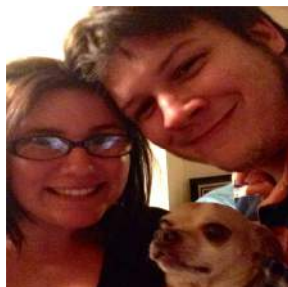

Suzuki all dressed in pearls.

FROM LOVING IN A HOUSE WITH NO RUNNING WATER TO BECOMING A DIVA!

Luna and her friend Cyrus were very loved by their former pet owner but she was going through difficult times .When their owner had no running water or electricity she desperately tried to call many shelters to take her beloved pets. Everywhere, she called said “NO”, they could not help her. Their pet parent said we were the only group that would help her. She was so appreciative and wrote a very thankful letter to us. Now both dogs are in wonderful, super loving new homes.

Luna is now a Diva with a new wardrobe. Luna waited a long time for a new home. Being eight years old and having a partially blind eye, no one seemed to want this sweet little girl. Her new owner said they saw her picture and fell in love, they had to have her. We told her new pet parents that she liked to dress up so they went and bought her all new clothes, including a Halloween costume. You can follow Luna’s blog by checking our Facebook page.

THANK YOU, THANK YOU, THANK YOU

We would like to thank all those that have helped us in so many ways this year, from the volunteers that gave their time generously, all our individual donors, Petsmart, Printfast,, United Way Supportes and Walmart.

THANK YOU!!!!!!

ID TAG ***** MICROCHIP ***** ID TAG*****MICROCHIP***** ID TAG*****MICROCHIP***** ID TAG

IDENTIFICATION IS YOUR PETS TICKET BACK HOME TO YOU!

First and far most take safety steps so you don't loose your pet. Remember to lock your fence gate, make sure Your pet's collar is tight enough so they can't back out and a harness is best for walking. One of the most important things we can do for our pets is to get them an Id tag with your name address and phone number and to get them a Microchip. Both would be best . The chip will be permanent as it is embedded in the animals skin. They other is a visible form of Id to show physical ownership. Multiple forms of Id will drastically increase the likelihood that you will get your pet back.

Every year so many animals are lost and cannot find there way back to their pet parents because they have no Id. It is so heartbreaking to loose your pet and never know what has happened to them. Many times when using a collar the pet will get scared and back out of the collar and run off. Without a microchip there is not a way to help find the lost pet's owner. So please for your sake as well as your pets take a few minutes, you can go to Petsmart pick out a bright colored tag and make it yourself. When at your vet's office ask them to microchip your pet.

NEWLEY ADOPTED PETS KEEP IN SHAPE WITH THEIR NEW FAMILIES

Dogs need exercise to keep them fit and healthy. Research suggests people who exercise with their dogs are more likely to stick to a fitness program. Even if it's cold out you can get a doggie coat and be on your way.

PERRY and his dog companion started out in an overcrowded kill shelter. Now Perry's new family walks three miles a day with him.

Robin was saved one hour before she was to be euthanized. Her new pet parents adore her. She now goes on daily marathon runs

We love to hear the stories of how some of our animals have helped fill a void in someone's life or how happy people are to spoil them with love.

Some of their stories:

We are one million percent in LOVE with Jody , She is wonderfully lovely and so much fun!!! Sweeter than ever and she has really taken to her new home here and her new family! !! WE ARE IN LOVE WITH EVERYTHING THAT is JODY!) THANK YOU FROM THE BOTTOM OF OUR HEARTS FOR SUCH A LOVELY LITTLE LADY!!! xoxoxo

I thought you would like to see me my first week in my new home, the people that I own, bought me toys, beds and everything I could want. I soon took over their bed with my favorite pillow. They moved my pillow to the top of their backboard on their bed and now I just take my spot up there. Ha Ha they got had ! Mom & Dad told me to tell you hello and in one week I put on 1/2 pound and took over the house. Thanks for saving my life and I will be in touch.
