This truly confirms beloved pets are part of the family.

So happy with our beautiful lady Sophia/Honey we adopted back in April. She has really come out of her shell and has become the happiest silliest pup. She absolutely loves running around on the beach! We take her out on the lake in our boat and after a little dip, she naps in the sun and watches ducks swim by. She loves to wrestle and throw her toys to herself and run and catch them in the air. We love her so much. She loves people and snuggling and other dogs and cats. Absolutely couldn't imagine my life without her. So lucky to have found her. Thank you so much Animal Sanctuary Society for saving her.

THANK YOU EVERYONE FOR YOUR PAST SUPPORT, MAKING IT POSSIBLE FOR US TO HELP THOUSANDS OF HOMELESS ANIMALS SINCE OUR BEGINNING!

PLEASE SUPPORT US THIS HOLIDAY SEASON AND THROUGHOUT THE YEAR TO HELP SAVE LIVES!

The Animal Sanctuary Society, Inc. is proud to be a safe haven to animals. We provide vet care, medicine, surgeries, food, shelter and other necessities to our animals until the day they are adopted. We will not euthanize an animal because no one is adopting him or her by a certain time. This is possible because of generous public donations and support from caring people like yourself.

A few of our Happy Tails!

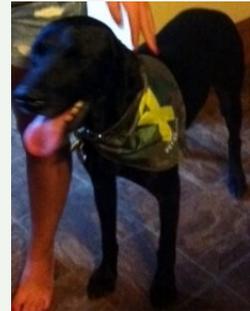

When Jarrod saw Donner's picture, he couldn't wait to meet him. He had lost his beloved cat due to old age, who looked just like Donner. Their meeting was magical! Donner will continue to make Jarrod's life magical and mend his heart.

Slater Finds Love with a Perfect Family

Slater was rescued from a high volume shelter that euthanizes for space. This super loving family are people who have stopped safely on 95 to help a stray dog when everyone else passed it by. When this family met Slater at Petsmart, they couldn't stop thinking about him even though they were on vacation. It had been two years since their last dog passed away. They had also rescued their last dog from a shelter. Slater will be going on many long walks with his new family.

Mickey aka Harley and 5 other dogs were chained outside with no food. Their owners were charged with animal cruelty. Mickey was in the worst condition of all. He could barely stand up and almost didn't make it. But look at him now. A new name, new terrific pet parents, and a fantastic new life full of love, comfort, and plenty of food.

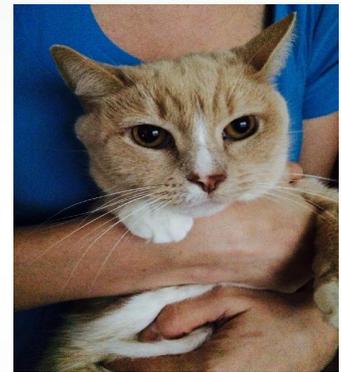

Raleigh aka Jolene is doing amazingly with her new big sister Georgia Peach. As you know Georgia can still be very timid & I think Raleigh senses this emotion and becomes very protective of her. She will stand right next to her or lay on top of her. I feel very blessed to have such an amazing fur family. Everyone in my family just loves Raleigh and her personality, her tail hasn't stopped wagging since I brought her home. She has made such a big impact on my family in such a small amount of time. When I go to my mom's house and see my brother get stressed out; before I can speak to him, she jumps up in his lap, cuddles with him and she helps him calm down. Thank you again for blessing me with these two wonderful dogs. Eileen

Hoping for a Loving Home this Holiday

Corrina has a very stunning and unique wire haired coat. She has an active personality and would love to play Frisbee and go for long walks. If you need a dog who will be your protector, she is the one for you!

Buff is a beautiful cat with soft amber eyes and creamy fur. He is adorable with a cute gentle rabbit face & nose. He is sweet and loving and would like to live in a quiet home.

Livvy is a stunning girl with awesome markings. Her face is adorable. She was rescued from an overcrowded kill shelter and deserves a great home. She would love to stay active and go for a jog with you.

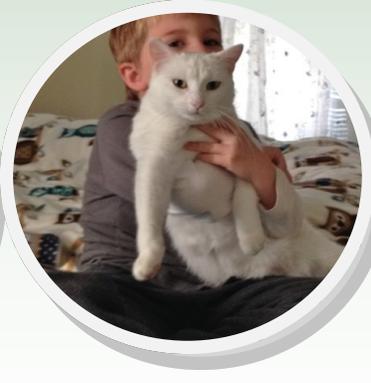

Dasha has the most bright golden eyes and shiny black fur. She was raised in a home with children and would love to be around them again. She would like to be an only pet.

A heartfelt thank you to all those who have helped us in so many ways this year. Volunteers who have generously given their time with fundraising, fostering, donations, adoptions, etc. We thank Murphy's Market, Print-Fast, Petsmart, Walmart, and United Way supporters for their generosity as well. All the animals are very grateful for your assistance.

We Want To Take This Time to Thank Our Service Men and Women Presently Serving Our Country, and our Veterans for their past service.

Throughout the years, Animal Sanctuary Society has helped many, whether it was placing their pets in loving homes because they were sent overseas to Iraq, Afghanistan, Japan, or other locations, or helping veterans find the right pet for them and their families upon returning home.

Here Peanut is with his new adoptive family. Peanut will be very comforting especially to this young veteran who has served our country both on Iraq and Afghanistan.

MEMORIALS

We will miss you. Thank you for your loyalty, companionship and the joy you brought our family. Forever in our hearts!

Diana, a dedicated volunteer, her beloved Casey died at 15 years old. Casey was her loving co-pilot who went on many long trips to NY state visiting Diana's mother. Whenever Diana talked about Casey her eyes lit up. When Casey died, Diana emailed us that she was the love of her life. After several months of healing, we were thrilled when Diana opened her heart & home to adopt three black and white look alike cats from us that had been waiting for a new home; Beasley, Oreo, & Stache. The happy picture reminds us of the TV ad with several look alike white cats.

Thanks again Diana for being such a dedicated volunteer & for loving so much & giving the three boys the best home ever.

Karen, another superstar volunteer, lost her Dear Cinder to old age. She saved Cinder just in the nick of time from being euthanized at a local animal shelter. Cinder was a beautiful butterfly who truly was part of the family. She also loved car rides to PA with her human and dog family.

Stella, the little Chihuahua, was found to have a serious defect in her intestines and had to be humanely euthanized. She had a lifetime of love in her short time on this earth with animal lovers, Amy & her family. She travelled to the beach with them & went on long hikes being cuddled & carried in a pouch in her pet-mom's arms. When we all think of Stella we should all smile, because she would want us to not cry.

Charlotte's beloved pets, Mutton & Simba. Mutton lived to be 19 years old and Simba lived close to 18 years. Charlotte loved them both very much!

In October, Bones' Petparent came home to find Bones' had passed away. He was an older cat. His petparent used to walk him on a leash to go to the bathroom because he wouldn't use the litter box but preferred to go outside like a dog. His petparent will miss him terribly. They had a special connection.

Marianne, also with Animal Sanctuary Society, lost her dear dog at about 17 years. Her Dad had adopted her from us when she was already an old dog. We had rescued her from a shelter to avoid her being euthanized. When Marianne's Dad passed away, she of course took the dog to live with her and her husband. Marianne took very good care of her even taking her to an eye specialist. No picture is available but she was a beautiful white dog with a beautiful personality to match.
